

My Prayer

Dear God,

Thank you for everything I have. I am thankful for a lot of things, like being able to go to a catholic school, and a home with central heat, air conditioning and electricity. Thank for all the little things, like a TV, books to read and games I have. Thank you for my pets, Peanut, Sweetie, Trixie, Inky and Astro. Thank you for letting me be able to enjoy the holidays with my friends and family, unlike those without homes or food. I hope they will be able to get a warm house and food for the holidays. For all these things I am truly thankful.

Amen.
