

Dangers when Chatting...

- Never ever give any personal information including:
 - Name ☹️
 - Number ☹️
 - Address ☹️
 - Screen name ☹️
 - Friends password ☹️
- Or anything that will lead someone from being just “your friend” to your worst enemy ☹️
- Never ever talk to people you don’t know even if they sound like your friend... ignore them because eventually you will be giving to much information. ☹️
- If this is happening on line contact your parents or local police department for help ☺️
- If you give any information than you could lead Remember....look down ☺️
