

# DANGER WHEN CHATTING

Kids I got annoyed on the internet once it was not pretty. I was 14 when this happened. Kids don't chat on line with kids you don't know. Hello kids my name is Fredrick You. And the person was saying he was my cousin Nick. Okay 1. My cousin's name is not Nick it is Frank. 2. I said I want you to be quiet. He didn't stop. So I told the police and they arrested this 45 year old person. Kids this is my story. Also you should tell your parents or the police. Thank you.
