

Be Careful when Talking Online!

**"Hey soccerstar@aol.com
soccer's my favorite
sport too."**

**"Really, my school team, "the North Middle School
hobeats", won our game last Saturday, even though I
was late, because I had a piano recital."**

**Read the chat above. How many things can
you find that soccerstars "friend" found out about
them by their screen name and the one question**

**they asked them? Think! Does your screen name
give out personal information like soccerstar's?**
